Once, just once, it would be good if one of these games understood the lethal power of a .45cal pistol. You are wrong. A .45cal will kill in one shot. One. You think I'm wrong? Let's meet on a real shooting range. This game is wrong and stupid. There is no way that a German grey shirt would offer any protection against a .45cal pistol. Frustrating and stupid. I award no points and may God have mercy on your soul.
